

Insurance

PentaHealth at Mt. Airy Family Practice is dedicated to providing you with the highest quality, cost effective medical care. We accept all major credit cards, Apple Pay, and offer payment installments.

We accept nearly all major insurance plans including:

Keystone, Keystone 65, Independence Blue Cross, Aetna, Multiplan, Cigna Healthspring, Humana, Tricare and Medicare*

*Our insurance panel changes from time to time, please call the office and confirm that we take your insurance before scheduling, and make sure we are listed as your PCP on your card.

For the most up-to-date information on our accepted private health insurance plans please contact our office directly at 215-848-6880

Get Help Navigating Medicare

Many of our patients have questions about turning 65 and Medicare. We know sorting through Medicare can be exhausting and confusing. We have partnered with Sheila Stith, President/CEO of Stith & Associates Health Insurance Agency, to help you navigate your health insurance options. You can contact her directly with your questions. [Click here for more information, including her contact information.](#)
